Students wishing to study a subject independently, for credit, must find an instructor to supervise the project. The instructor and the student then agree on the number of credits the student may earn. The student must complete an Independent Study Form, have it signed, and deliver it to the Registrar.

Without special permission, students may not register for or earn toward the degree more than six credits each semester in any one or combination of independent study, special topics, and variable topics courses. To increase this limit, students must consult with their advisor and get the permission of their academic dean.

After obtaining your Instructor's signature, submit completed forms to the Undergraduate Program Office for the Advisor's and Dept. Head's signature and final processing. Forms may be submitted in-person to BOUS, via email to undergradpsych@uconn.edu, or via fax to 860-486-2760. For Fall and Spring terms, completed forms must be received by the end of the 4th week of classes.
